Jonathan,

Given the continued delay since Office Depot served its subpoena on CRA and CRA's inability to commit as to whether it will produce responsive information to the narrowed categories we have previously discussed, Office Depot will be filing its motion to compel in the U.S. District Court of Massachusetts today. Given your inability to make the necessary inquiry regarding responsive information and documents – even with the narrowed Subpoena and several extensions, Office Depot has no choice but to file a motion to compel.

Thank you,

Brian Spahn
